COMPANY PROFILE

Huron is committed to creating value for our clients, people and shareholders. As a leading global professional services firm, we work closely with our clients to help address their most pressing and complex business issues. We deliver high-value, quality solutions to achieve meaningful, sustainable change for clients to support their long-term strategic objectives. Our professionals use deep industry knowledge and expertise in strategy, operations, advisory services, technology and analytics to drive lasting and measurable results.

Huron specializes in serving clients in the healthcare, higher education, life sciences, and commercial sectors as these organizations face significant transformational change and regulatory or economic pressures in dynamic market environments. We have worked with more than 450 health systems, hospitals, and academic medical centers, more than 400 colleges, universities and research institutions; more than 125 life sciences organizations; and hundreds of Fortune 500 and midsize commercial businesses.

Huron is a public company traded on the NASDAQ Global Select Market under the symbol “HURN.”
