Item 7.01. Regulation FD Disclosure.

This Current Report on Form 8-K also corrects certain previously disclosed operating data related to the Legal Consulting segment and the total Company with respect to the full-time billable consultant average billing rate, the revenue per full-time billable consultant and the revenue per full-time equivalents for the first quarter of 2010. Total revenues for the Legal Consulting segment and the total Company remain unchanged, however the mix of revenue attributable to full-time billable consultants and full-time equivalents decreased \$2.5 million and increased \$2.5 million, respectively, thereby resulting in a change to the aforementioned operating metrics for the first quarter of 2010.

As a result of the correction of the revenue mix discussed above, the corrected operating metrics are as follows:

	<u>Legal Consulting Segment</u>			<u>Total Company</u>		
	<u>Q1-2010 Revised</u>	<u>Q1-2010 Previously Reported</u>	<u>Q1-2009</u>	<u>Q1-2010 Revised</u>	<u>Q1-2010 Previously Reported</u>	<u>Q1-2009</u>
Full-time billable consultant average billing rate per hour	\$ 190	\$ 266	\$ 233	\$ 242	\$ 248	\$ 253
Revenue per full-time billable consultant (in thousands)	\$ 46	\$ 64	\$ 57	\$ 72	\$ 74	\$ 82
Revenue per full-time equivalents (in thousands)	\$ 37	\$ 33	\$ 27	\$ 47	\$ 44	\$ 42

Additionally, the following revenue discussions for the Legal Consulting segment and the total Company are impacted by the foregoing corrections and are corrected as follows.

Of the overall \$10.2 million increase in revenues in the Legal Consulting segment, \$13.2 million was attributable to our full-time equivalents, which was partially offset by a \$2.9 million decrease attributable to our full-time billable consultants. The \$13.2 million increase in full-time equivalent revenues reflected an increase in demand for our document review services. The \$2.9 million decrease in full-time billable consultant revenues reflected a decrease in the demand for our services coupled with a decrease in the number of full-time billable consultants and a decrease in the average billing rate for this segment.

Of the overall \$12.2 million decrease in total Company revenues, \$29.1 million was attributable to our full-time billable consultants, partially offset by a \$16.9 million increase attributable to our full-time equivalents. The \$29.1 million decrease in full-time billable consultant revenues was primarily attributable to an overall temporary decrease in the demand for our services coupled with a continued weakened economy that has resulted in a decrease in discretionary spending by our clients as well as delayed decisions by clients on new client engagements. Our average billing rate and utilization decreased in the quarter compared to the same period in the prior year. The \$16.9 million increase in full-time equivalent revenues resulted from increased demand for our variable, on-demand consultants in our Financial Consulting and Legal Consulting segments.
