

Ekta Singh-Bushell Elected to Huron Board of Directors

May 6, 2019

CHICAGO--(BUSINESS WIRE)--May 6, 2019-- Global professional services firm Huron (NASDAQ: HURN), today announced that Ekta Singh-Bushell was elected to Huron's [board of directors](#) by Huron's shareholders at its annual meeting on May 3, 2019. Ms. Singh-Bushell's addition to the board continues the company's multi-year board refresh process to ensure the board has a diverse mix of knowledge, skills and business acumen to evaluate and support the company's strategy going forward.

"We are pleased to welcome Ekta to Huron's board of directors," said [John McCartney](#), non-executive chairman of the Huron board. "Ekta's unique experience leading global teams and helping clients navigate disruption through digital strategy, technology implementation and cybersecurity initiatives will be invaluable as Huron continues to grow its technology capabilities as part of its strategic evolution."

Ms. Singh-Bushell has more than 25 years of experience in diverse global management, financial auditing, and digital and technology implementation. She currently serves on the board of directors at TTEC Holdings, Inc., Datatec Limited, Net1 UEPS Technologies, Inc. and DSW Inc. Additionally, she is a strategic board advisor for DecisionGPS, LLC.

"I'm delighted to join Huron's board of directors," said Ms. Singh-Bushell. "It is an exciting time at Huron, and I look forward to working with the board and management team to support the organization as Huron continues its strategic transformation."

Ms. Singh-Bushell previously served as Chief Operating Officer, Executive Office at the Federal Reserve Bank of New York where she was responsible for overseeing and supporting the organization's strategic, financial and operational performance. Prior to her work at the Federal Reserve Bank of New York, she held several senior partner roles at EY, including Global Information Security Officer and U.S. Digital Strategy Leader, and led transformations of companies across multiple industries through technological and digital change.

Ms. Singh-Bushell holds a Master of Engineering in Electrical Engineering and Computer Sciences from the University of California, Berkeley, a Bachelor of Engineering from the University of Poona, India and is a certified public accountant (CPA). She also holds advanced international certifications in governance, information systems security and audit.

ABOUT HURON

Huron is a global consultancy that helps our clients drive growth, enhance performance and sustain leadership in the markets they serve. We partner with them to develop strategies and implement solutions that enable the transformative change our clients need to own their future. Learn more at www.huronconsultinggroup.com.

Statements in this press release that are not historical in nature, including those concerning the company's current expectations about its future requirements and needs, are "forward-looking" statements as defined in Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995. Forward-looking statements are identified by words such as "may," "should," "expects," "provides," "anticipates," "assumes," "can," "will," "meets," "could," "likely," "intends," "might," "predicts," "seeks," "would," "believes," "estimates," "plans," "continues," or "outlook" or similar expressions. These forward-looking statements reflect our current expectations about our future requirements and needs, results, levels of activity, performance, or achievements. Some of the factors that could cause actual results to differ materially from the forward-looking statements contained herein include, without limitation: failure to achieve expected utilization rates, billing rates and the number of revenue-generating professionals; inability to expand or adjust our service offerings in response to market demands; our dependence on renewal of client-based services; dependence on new business and retention of current clients and qualified personnel; failure to maintain third-party provider relationships and strategic alliances; inability to license technology to and from third parties; the impairment of goodwill; various factors related to income and other taxes; difficulties in successfully integrating the businesses we acquire and achieving expected benefits from such acquisitions; risks relating to privacy, information security, and related laws and standards; and a general downturn in market conditions. These forward-looking statements involve known and unknown risks, uncertainties, and other factors, including, among others, those described under "Item 1A. Risk Factors" in Huron's Annual Report on Form 10-K for the year ended December 31, 2018, that may cause actual results, levels of activity, performance or achievements to be materially different from any anticipated results, levels of activity, performance, or achievements expressed or implied by these forward-looking statements. The company disclaims any obligation to update or revise any forward-looking statements as a result of new information or future events, or for any other reason.
