The Best Places to Work award is a powerful indicator of the employee experience within an organization as it is based on authentic employee feedback shared anonymously on Glassdoor throughout the year.

Employees' Choice Award winners for the Best Places to Work 2024 are determined using Glassdoor's proprietary awards algorithm. Each employer's rating is determined based on the quantity, quality and consistency of Glassdoor-approved company reviews submitted by U.S.-based employees between Oct. 18, 2022 and Oct. 16, 2023. During the year-long eligibility period, employers considered for the large list must receive at least 75 ratings for each of the nine workplace attributes, including overall company rating, career opportunities, compensation and benefits, culture and values, diversity and inclusion, senior management, work-life balance, recommend to a friend, and six-month business outlook.
