the impact she continues to have on the higher education industry. Her dedication to excellence sets a high standard for all of us, and I look forward to her continued success."

With more than 25 years of experience in higher education and technology consulting, Laura has demonstrated an exceptional ability to drive client success and innovation. As a leader in Huron's digital capability business, Laura works with colleges and universities to strengthen all aspects of the student journey and use technology to achieve their digital transformation and student-centric goals. Her dedication to enhancing student experiences, improving operational performance, and achieving enrollment goals has consistently set her apart as a leader in the field.

Laura was recognized for her achievements during the Leaders in Technology awards event on May 16, 2024.
